

Bachelor of Education (Primary)

2026 Enrolment for First Year Students

There are changes planned for the Bachelor of Education suite of courses that will take effect from 2027. To ensure that your program of study continues without disruption, we strongly recommend that you enrol in and complete the units listed below during 2026. Doing so will help you to remain on track with your course requirements and allow for a smooth transition into the revised unit offerings that will commence in 2027.

	Unit 1	Unit 2	Unit 3	Unit 4
Semester 1	EDES100* Understanding Learning and Teaching	Core Curriculum Unit 1 OR Religious Education Unit 1 ***	EDEN100 Foundations of Literacy	EDSI150 ** Foundations of Primary Science
Semester 2	EDES103* Understanding Learners and Their Contexts	EDES104 Digital Cultures and Capabilities	EDAR150 Teaching the Arts 1: Dance and Drama	EDMA150 ** Mathematical Knowledge for Teaching

*Brisbane, Melbourne or Strathfield students - EDES100 and EDES103 are offered in both Semester 1 and Semester 2 and may be studied in any order.

** Strathfield students - EDMA150 and EDSI150 are offered in Semester 1 and Semester 2. Students who did not meet the NSW HSC Mathematics Band 4 requirements should study EDMA150 in their first semester of study.

***Students who are planning to complete Religious Education Accreditation, you will need to study the first RE unit in 2026 (*THBS100 - Introduction to the Bible*). If you are **not** pursuing Religious Education, you must study the first University Common Core unit (see available options here).
