

# Bachelor of Education (Secondary) / Bachelor of Arts (Design Innovation and Technologies)

## 2026 Enrolment for First Year Students

There are changes planned for the Bachelor of Education suite of courses that will take effect from 2027. To ensure that your program of study continues without disruption, we strongly recommend that you enrol in and complete the units listed below during 2026. Doing so will help you to remain on track with your course requirements and allow for a smooth transition into the revised unit offerings that will commence in 2027.

	Unit 1	Unit 2	Unit 3	Unit 4
Semester 1	EDES100* Understanding Learning and Teaching	Elective Unit – EDCU150 Literacy and Numeracy for Secondary Teachers	TECH105 Design Principles	SCIT101 Stem Principles
Semester 2	EDES103* Understanding Learners and Their Contexts	EDES104 Digital Cultures and Capabilities	TECH108 Design in Textiles	TECH207 Food and Society

\*Brisbane, Melbourne or Strathfield students - EDES100 and EDES103 are offered in both Semester 1 and Semester 2 and may be studied in any order.

\*\* Students should refer to the First Year Enrolment Guide for advice on which units to enrol in.
