

Master of Teaching (Secondary) Course Map

(Information last updated on 16 September 2022)

Students commencing from 2022 Semester 1 intake (24 months)

Students seeking to accelerate their studies by enrolling in more than two units during a Summer, Winter, Professional Term 2, or Professional Term 4 study period must first consult with their course co-ordinator.

For an even spread of workload, it is recommended that one unit of study be completed in each of the Winter and Summer study periods.

A program for students studying part-time (i.e. over a period longer than 24 months) would be: EDES591 and EDXX599 in Semester 1; EDES590 in Winter; EDES601 and EDET590 in Semester 2. They should plan out their study program in detail, consulting with their course co-ordinator, and also referring to the 18-month map for the full availability of units.
