### \*\*SELECTING YOUR ELECTIVES

**A. If you are completing the Diploma in Languages concurrently with another undergraduate course:**

- Your two Diploma in Languages 'electives' are chosen from a list of units provided in the [course rules](#) for the Diploma. These two units will normally 'double count' as units that you complete as part of your first undergraduate degree, and then credit to the Diploma in Languages. The units may be specified units or electives in your first degree.
- Prior to course completion in the Diploma in Languages, you will need to have the two 'electives' you have completed credited from your first degree to the Diploma in Languages using the 'CR Credit and Prior Learning' form.

**B. If you are completing the Diploma in Languages as a 'stand-alone' course:**

- You can choose any two units from the list provided in the [course rules](#) as your electives. You will then need to double check the ACU timetable to see which semester your selected electives are running and build that into your map.

### STUDY MODE

All units will be delivered 'Online Scheduled' or 'OS'.
