PLEASE NOTE FOR THE MAP ABOVE

Students who do not follow the sequence recommended in their Course Map cannot be guaranteed a clash free timetable or completion within the normal course duration period. Any student studying outside the above sequence should consult with their Course Coordinator prior to enrolling.

UNIT DELIVERY MODES

All units are delivered in On Campus mode, unless otherwise indicated in the map.

C - On Campus
> Most learning activities or classes are delivered at a scheduled time, on campus, to enable in-person interactions. Activities will appear in a student's timetable.

M - Multi-mode
> Learning activities are delivered through a planned mix of online and in-person classes, which may include full-day sessions and/or placements, to enable interaction. Activities that require attendance will appear in a student's timetable.

OU - Online unscheduled
> Learning activities are accessible anytime, anywhere. These units are normally delivered fully online and will **not** appear in a student's timetable.

OS – Online scheduled
> All learning activities are held online, at scheduled times, and will require some attendance to enable online interaction. Activities will appear in a student's timetable.

PREREQUISITES

- Prerequisites ('*Pre:*') are added in italics.
- Prerequisites are other units that you must have passed *before* enrolling in the unit.
- You will not be able to enrol in a unit in Student Connect if you do not meet the prerequisite requirements. (This will help stop you from enrolling in units incorrectly). You can find out about unit prerequisite requirements in your Course Enrolment Guide.
- Under some circumstances, you might be eligible for a prerequisite waiver.
- You can find out more about prerequisites and how to apply for a waiver on the Student Portal
