THE PROBLEM

AN IDEA:
THE ARK

A DOMESTIC
VIOLENCE
REFUGE THAT
TAKES WOMEN
AND THEIR PETS.

LOGISTICS AND SUSTAINABILITY

The students designed a refuge that would take women and pets

everything from human accommodation and pet shelter and care

a pet grooming business would devote its profits to running the refuge.

PITCH AND ADAPTATION

- Start-up scheme or addition to an existing service?

AND NOW FOR
THE REST OF
YOUR LIFE

-
- the initiative, research, creative thinking, team work, problem solving and project management skills the students develop are vital to almost any career.
