RESIDENTIAL LIFE

WELCOME

New friends. Exciting experiences. Memorable moments. University should have them all. And living in student accommodation is one of the best ways to get the most out of your university experience. In our accommodation, you'll get academic support, make lifelong friends, and be part of a diverse and close-knit community. You'll also have access to unique sporting, leadership, spiritual, and community engagement opportunities. Our student accommodation isn't just a place to stay – it's a living and learning community.

RESIDENTIAL SUPPORT TEAM

RESIDENTIAL MANAGEMENT & ADMINISTRATION TEAM

Our Residential management and administration teams are responsible for the management, strategic direction and daily operations of each residence. Our administration teams are available within office hours during Monday to Friday to provide service and support to all residents.

RESIDENTIAL ADVISOR TEAM

Our Residential Advisor Team (RAs) consists of full-time students who live in residence. They are responsible for developing and delivering the Residential Life Program. This program consists of regular in-house events that are aimed at ensuring each resident has a positive and enjoyable experience living in residence. The RAs are also on hand to assist with any enquiries. If you require an RA to respond to a situation, please contact them via the duty phone (see Important Contacts on page 18).

RAs are chosen for their leadership skills, community participation, and demonstrated commitment to improving student life in ACU's Living & Learning Communities. We welcome any of our residents to apply for the role. Applicants must commit to staying in the property for at least two semesters.

ARRIVAL PROCESS

CHECK-IN

You will be contacted prior to check-in to arrange a suitable arrival time. Once you arrive, a staff member will provide you with a welcome pack containing your key, wi-fi information, information about your room and cleaning, and a room condition report.

ROOM CONDITION REPORT

Please complete the room condition report and return to the front desk within two days of check-in. The report is in place to support you to communicate any pre-existing damage so that you are not held liable upon check out, so please ensure you complete it thoroughly.

UNDER 18s

There are special requirements and considerations for students living in residences who are under the age of 18.

Before being offered a rental agreement, each applicant, who will be under 18 at the start of the academic year, will be required to have interview with one of the residential team members, either face-to-face or via an online video service. This is to ensure that the adult environment of student accommodation will be right for them. Once approved, a parent or guardian will be required to co-sign the residential agreement.

While a student is under the age of 18 on residence, a parent or guardian will be contacted in the instance of ill health, breach of agreement, disciplinary actions, or any other concerns regarding the student. It is expected that students under the age of 18 adhere to a zero alcohol policy.

These procedures have been put in place to ensure the safety of students under 18 years of age while living in student accommodation. All ACU student accommodation staff have completed Working With Children Checks.

RESIDENTIAL LIFE EVENTS

ACU's Living & Learning Communities aim to provide opportunities for personal development and connection with peers. We encourage greater academic achievement, promote health and wellbeing, and help to develop teamwork skills and provide a positive overall student experience.

Our RAs host regular events to ensure that there is never a dull moment or missed opportunity for our residents to make the most out of living in residence. Our Residential events focus on one or more of five focus areas:

All LLC events are promoted via the ACU Life platform. Our Residential administration teams will add you to your relevant residential group when you check in. Otherwise, you can join the group by scanning the relevant QR code upon arrival.

If a resident has caused damage requiring maintenance, the resident will be required to pay for the cost of repair and/or replacement of the damaged items.

If a maintenance request has been lodged by a resident or noted during inspections, Management reserves the right to enter the premises without prior warning to resolve maintenance issues. Residents will be given advance notice as far as practicable.

LAUNDRY

On Upper Level 1 there is a laundry equipped with five washing machines and five dryers. Our machines are equipped with a tap-and-go payment system. Coins and cash can not be used for the machines.

The laundry also has an iron and ironing board available for use.

Please do not overload the machines, machines will not wash/dry your clothes properly and may cause damage to your items. MCR are not liable for any damages to items unless items have been damaged by a faulty machine.

Be sure to make use of the yellow recycling bins as much as possible. Remember to separate your recyclables from your general rubbish. Putting recyclables in the recycling bins equals less landfill. Make sure to refer to the posters in the bin rooms on each level to understand what items to put in which bin.

- Benches and stove tops are regularly wiped down
- Food is sealed or covered properly
- Cupboards are wiped clean as necessary
- Rubbish is emptied in a timely manner
- Kitchen floors are mopped regularly.

If you do not adhere to these guidelines and this causes or exacerbates an infestation in your apartment, you will be held liable for the cost to eradicate pests from your apartment. We conduct pest control treatments to support your efforts for a clean house.

COMPULSORY INDUCTION PROGRAMS AND MEETINGS

You will be required during your tenancy to attend/complete compulsory induction briefings and meeting prior to your arrival at residence, and during your tenancy.

Residential Induction

All residents will receive an email outlining how to complete their residential induction. There are two components that students will need to complete/attend:

1. *Respect.Now.Always*

This online component will be compulsory for all residents to attend prior to arriving at residence. It will focus on ACU's Student Accommodation's zero tolerance for sexual harassment and assault.

An annual survey will be conducted within residence. The data collected from this survey will assist the University to track its management of any sexual misconduct in residence. This data helps to improve incident management and response.

2. Face-to-Face Inductions

Face-to-Face inductions will be delivered during O'Week and on an ad hoc basis as required. We will focus on understanding the community spirit of our student residences, what to expect during your first few weeks of Semester, highlight key rules and provide additional information about the residential facilities.

Residents who fail to attend and/or complete their residential induction will receive a disciplinary breach.

Community or disciplinary related meetings

From time to time, you will need to attend any community or disciplinary meetings. These will be arranged by LLC Management as required.

ACU's Residential team will communicate with you mainly via email and ACU Life during your stay, but may also contact you by phone, text, social media channel or in writing delivered to your door in person. It is your responsibility to ensure Residential Management has your updated contact details. Should your contact details change during your time in residence, you can update these via the housing portal.

Failure to respond or communicate with Residential Management within a reasonable time frame may result in disciplinary action.

BEHAVIOUR & RESPECT

SEXUAL MISCONDUCT (ASSAULT & HARASSMENT)

Sexual harassment and assault are never OK. All our students, staff and visitors should feel safe and respect at ACU. We have zero tolerance for sexual harassment and assault, and we expect our staff and students to behave in a manner that is respectful, inclusive and fair on every ACU campus, at all times.

Sexual assault is unwanted behavior that can take many forms – touching, kissing, exposure, sexual images being taken without consent to any form of sexual penetration. Sexual assault or harassment is never the fault or responsibility of the victim/survivor. If you feel that you have been sexually assaulted or harassed, there is support available to you.

You can find information on:

- Consent
- Reporting an incident
- Finding support

Via the ACU [Respect.Now.Always website](#). Please also refer to ACU's Student Sexual Misconduct Prevent and Response [Policy](#) & [Procedure](#) for more information.

To report sexual assault or sexual harassment, residents can speak to an onsite Safety Support Officer or one of the Living & Learning Communities staff (Monday to Friday, 8am-6pm) or a Residential Advisor; or contact the ACU National Security Centre on 1300 729 452.

ACU students can also report sexual misconduct via the ACU Student Portal or by using the SafeZone app.

If you require an emergency response, call Emergency Service on Triple Zero (000).

HAZING, DISCRIMINATION AND HARASSMENT

LLC focuses on providing welcoming, supportive and a friendly home-away-from-home. Every resident deserves respect from their peers. We encourage all of our residents to one other as equals and to be a valuable member of their residential community.

We will not tolerate any form of bullying (including cyber-bullying), harassment or discrimination against any resident of our community. This includes any activity or event that aims to humiliate, degrade or impose emotion and/or physical harm to an individual. Additionally, any verbal, written communication that offends, humiliates or intimates another resident will also not be tolerated.

If you are subject to bullying or have witnessed this behaviour in our community, please report the incident to staff immediately.

YOUR ROOM

CLEANING

Residents are responsible for cleaning their apartment regularly. If you are in a multi-share apartment, you will be responsible for cleaning your individual room, as well as working with the other residents in your apartment to ensure that common areas are kept clean and tidy.

Residents are able to access mops from the laundry, and vacuums are available from the front office team. Apart from these items, residents will need to purchase their own cleaning materials for their apartment.

If residents living in multi-share apartments are having trouble negotiating cleaning with their housemates, our team can assist to develop a cleaning roster.

INSPECTIONS

Cleanliness and safety inspections are conducted quarterly. Residents will be given advance notice of when inspections will occur.

Through these inspections we are able to address cleanliness issues or health and safety risks, note any damage to the property, and log outstanding maintenance items.

If you do not pass the first inspection, you will be given ample opportunity to remedy the issues noted during inspection. If you do not pass the second inspection, external cleaners will be contracted to clean the apartment, at a cost to you. The cost to clean a multi-share apartment will be divided between the residents in the apartment.

ROOM MOVES/REQUESTS

Room number allocations are subject to change depending on availability at the time of your arrival. S

Changing rooms during your rental agreement will incur a room move fee of \$75.00. Speak with one of the office team for possible room types, and availability.

Speak with one of the office team if you have any special requests, all requests will be based on availability. Female/Male only apartment allocations are also dependent on availability.

PETS

No pets may be kept or brought into the residence. Please contact the front desk to discuss if you have a support animal.

DECORATING

It is a great idea to decorate your apartment to make it feel like your home. However, to avoid damage:

- Do not use nails, pins, or screws
- Do not use adhesives
- Do not apply stickers to the ceiling, walls or furniture.

If you use blu tack to affix posters or materials to the wall, it must be totally removed, and the wall must be sugar soaped to remove any marks prior to check out.

If you cause any damage while decorating your apartment, you will be liable for the cost of repair, including repainting the wall if necessary.

SAFETY AND SECURITY

KEYS

Your key provides access to the entry door, internal security doors, as well as the door to your studio apartment or multi-share apartment and individual room. If you have a bicycle or motorcycle, we can enable access to the garage on your key.

Individual rooms in multi-share apartments lock automatically but can easily be configured with your unique swipe card to be left unlocked, depending on your preference.

Keys must only be used by residents and must never be lent to a guest or visitor.

Never let anyone into the premises who you do not know. If someone tells you they are locked out, tell them you are not allowed to let them in and ask them to call the duty phone number. If you are concerned for your safety, please call the duty phone.

LOST KEYS AND LOCKOUTS

If you lose your key, you will be required to pay \$20 for a replacement key. This charge is non-refundable if you recover your lost key.

You are responsible for ensuring that you have your key on you when exiting your apartment. If you lock yourself out of your apartment when the front desk is attended, staff will be able to let you into your apartment free of charge.

If you are locked outside the normal office hours of 8am-10pm, including the weekends and public holidays when the front desk is not attended, you will need to call the RA duty phone number in order to receive instruction on how to access the lock box for a temporary key. You will be charged a \$50 administration fee. From time to time, office hours may vary.

HEATERS

Fan and element heaters are not to be used in the residence as they pose a high fire risk. If you wish to have a heater inside your room, please purchase a safer oil column heater. If you are found to have a fan or element heater in your room, it will be removed. Oil column heaters can be hired from the front desk for the colder months.

FIRE SAFETY

Residents must always vacate the premises in the case of a fire alarm. Not to do so puts yourself and others at risk and will lead to disciplinary action. Please familiarise yourself with the emergency evacuation diagrams posted on your level and follow instructions from staff.

To prevent a false fire alarm:

- Do not use candles, incense, or any type of flame
- Do not smoke in the property
- Always cook with the range hood fan on
- Pay attention while cooking to prevent smoke
- Do not spray any aerosol cans directly under the smoke detector
- Utilise the false fire alarm button if you do not have a real fire in your apartment.

If the alarm goes off in your apartment and there is not a fire, please:

- Press the fire alarm button
- Turn on the range hood fan and ceiling fan
- Open any windows and fan the smoke away from the alarm
- Do not open your apartment front door as if the smoke reaches the hallways the fire alarm will go off immediately.

If the alarm goes off in your apartment again, please repeat the steps above and try to clear the smoke. If you are unable to clear the smoke, the fire brigade is automatically summoned.

If the fire brigade is summoned due to a situation you have created in the property, you will be charged for the cost of the fire brigade. This cost is forwarded to MCR by Fire and Rescue NSW, and at the time of writing, the cost incurred is \$1,700, plus administration fees. This charge is then forwarded to the student responsible for the incident for payment.

Please familiarise yourself with instructions on using fire extinguishers and fire blankets. It is illegal to tamper with fire equipment, which includes covering or sealing smoke alarms and removing fire blankets or fire extinguishers, except in the case of a fire. Perpetrators will face disciplinary action.

Please note that the fire stairs are strictly for use in a fire alarm or emergency situation. At all other times, please use the internal stairs or the lift.

EMERGENCIES

In the case of an emergency, please contact emergency services by calling 000. After contacting emergency services, please immediately contact staff by calling the duty phone number (0409 645 060) so they may assist you.

Please advise the team at the front desk of your check-out time and date, particularly if it is prior to the end of your contract end date. You are required to vacate your apartment prior to 10am on the contract end date.

EARLY DEPARTURE

Please keep in mind that our rental agreements are legally binding contracts. You are bound by the terms stated on the reference schedule once your rental agreement is signed and executed. If you are able to find another student willing to take over your lease for the remainder of your contract, you may be released from your obligations under the reference schedule. The prospective resident will need to submit an application online, and the break-lease will only be confirmed once the student has signed their new lease and their security deposit is paid. A break-lease fee to the value of one week's rent as per your rental agreement, applies. For further information, please ask a member of the MCR team for the break lease information sheet.

Before you check-out, please ensure that your apartment is thoroughly cleaned, and all personal items and rubbish are removed to avoid additional cleaning charges.

If you would like to arrange for a professional departure cleaning, please speak to the team at the front desk for pricing.

Multi-share apartments are inspected prior to departure to ensure that the final clean of the apartment is a responsibility shared between all residents in the apartment. If issues raised in the pre-departure inspection are not remedied prior to check-out, professional cleaners will be contracted to clean the apartment. The cost of cleaning common areas will be divided among all residents in the apartment.

KEY RETURN

Once you have cleaned and removed all personal items from your apartment, you can drop your key into the key return box in the foyer. If you fail to return your key, you will receive a \$20 lost key charge.

SECURITY DEPOSIT

Security deposit refunds are processed following a departure inspection. Residents will be held liable for the cost of professional cleaning if required, as well as the cost to repair damages or replace damaged goods. These charges, as well as any outstanding fees on your account, will be deducted from your security deposit.

The remaining security deposit will be returned to the account from which it was first deducted within 30 days of check out. If this account has closed, please speak to staff at the front desk prior to check out to arrange a new security deposit refund form and a statutory declaration to verify the closure of the initial account.
